成都协同学校自2016年创办以来，就负有明确的使命：为有意出国学习的学生打下坚实的学术基础，并培养他们的品格和终身学习能力。
When Chengdu Concordia International School first opened its doors in 2016, it had a very clear mission: to lay a solid academic foundation for students who intend to study abroad and train them in character development and life-long skills.

我们是协同教育系统中的一员，这是一个有着悠久的优秀教育历史的美国教育组织，该组织在全球范围内联合了具有共同愿景的两千多家学校，为我们的师生提供了坚实和多方位的支持。

For this reason, the school joined the Concordia education system, an American organization with a long history of excellent education. Worldwide, Concordia unites over 2000 schools and universities with a similar vision, providing a solid network of support for our teachers and students.

现在，CCIS是一所充满活力的家庭式学校，学生在这里被培养成相互学习，相互依赖的未来领袖。我们非常关心每个学生，并支持父母实现其培养目标。我们充满激情的教学和后勤团队致力于激发卓越的教育。我们教会学生热爱学习，并为他们提供知识，学习和社交技能，以及茁壮成长的信心。

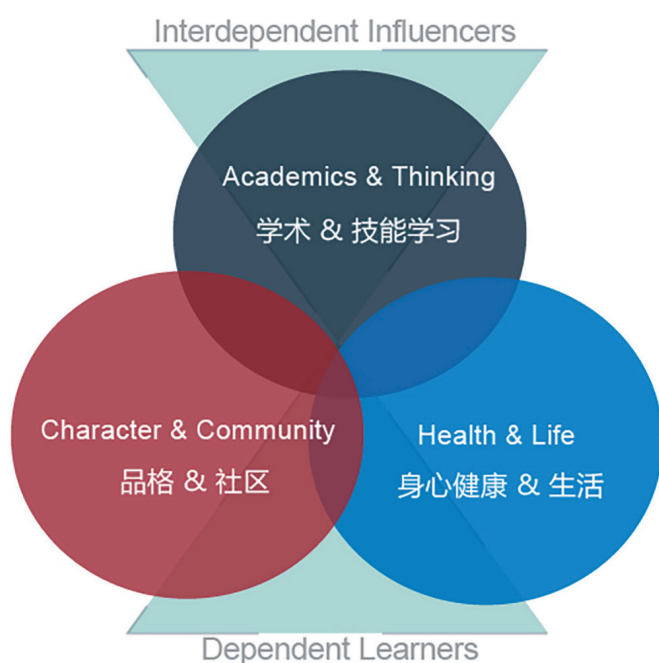

Today, CCIS is a vibrant family school where students are daily trained to become interdependent influencers. We greatly care for the individual student, partnering with parents to support them in reaching their parenting goals. Our team of passionate teaching and supporting staff are committed to inspiring educational excellence amongst our students. We teach students a love for learning and equip them with knowledge, learning and social skills, and a confidence to thrive.

为了确保持续和个性化的指导，我们保持小班教学，平均师生比例为1:5。综合美国共同核心标准和学生的需求，为了达到国际先进的教育水平并确保学生能够申请美国及其他地区的高中和大学，我们践行全人教育理念。

To ensure continued and personalized guidance we keep our classes small, with an average teacher-student ratio of 1:5. CCIS developed an integrated program based on the American Common Core State Standards, specifically adapted to meet the needs of students. Our holistic approach is necessary to reach the Western education standards and to ensure that students will be qualified to apply for English-speaking high schools and universities in America and beyond.
